

AdVantage Display®

AdVantage Display® System

The **AdVantage Display®** System is a light-weight and portable system that can be used as a table top or in its full height configuration. Take advantage of this system when you need the following features: Fast and easy set-up • A 360° hinge system for versatility and stability • A variety of case options • Dramatic rear-lit graphics, towers, counters and showcases • Accessories that include header panels, aluminum end caps, literature pockets, slatwall with fixtures and folding light boxes.
