Introducing a new portable display - the **BannerBug**.
An instant presentation that travels light and speaks for itself. The **BannerBug** rolls up in seconds, and is the ideal companion for all your marketing and promotional needs.

Available as a single or double-sided display banner, the **BannerBug** is super-sleek and modern. The graphic is protected within the base unit, reducing the likelihood of damage to your valuable investment.

And... the graphic panel is simple to change!

- Lightweight, compact display
- Rolls up or down in seconds
- Elegant, modern look
- Time saving
- Easy travel
