

POPUP ELITE

reddot design award
winner 2008

For Major Impact, Pop Up!

Stir up some excitement with this curvy display. Lightweight and portable, this innovative system sets up as easy as 1-2-3. First, simply pull open the frame. No hooks, no joints. It's that easy. Second, attach the graphic panel onto the structure with magnet strips. There are no hooks to impede view of your visual composition. This system has serious curve appeal. Pop up and present.

PopUp Elite is a winner of the 2008 Red Dot Design "Best of the Best" and "Product Design" awards.
